

Frequently Asked Questions (FAQ)

Q) What is the investment philosophy of PhillipCapital “RATNATRAYA Investment Advisory”?

RATNATRAYA Investment Advisory is a culmination of triple gems of stock selection. These 3 gems are Quality of Business, Quality of Management and Valuations. Further to these 3 gems there are multiple catalysts which are utilized to identify **growth companies**. This approach helps in building a focused portfolio of growth oriented companies perfectly blended from large, mid and small cap stocks.

The product is carefully curated utilizing the scuttlebutt approach for investors seeking advise to invest in growth companies. Through this approach quality companies are identified by conducting a deep drill down research and applying a bottoms-up approach to building and investing in a flexi cap portfolio. The ideas are also squared up if it doesn't fit the criteria any more.

We believe investing in 15-25 companies in FlexiCap portfolio which are led by enterprising managements, have a clean balance sheet, have a good growth potential and are available at fair valuations. Customized portfolio is as per requirement.

Q) Who is an ideal investor of PhillipCapital “RATNATRAYA Investment Advisory”?

PhillipCapital RATNATRAYA Investment Advisory service is an answer for any investor who would like to grow on the crest of the Indian stock markets, with the backing of an expert but at the same time being in control of the final decision making. RATNATRAYA as a product warrants an allocation in the core portfolio for any investor as it offers all the advantages of our strong global expertise in conjunction with our deep local knowledge of Indian equity markets.

Q) What generally are the types of companies which can be part of “RATNATRAYA”?

RATNATRAYA Investment Advisory objective is to invest in ideas of today and trends of tomorrow with special emphasis on companies that have and/or can grow at substantially higher rates than GDP. Given the nature of our investment philosophy, most constituents of the portfolio are well managed companies in Consumption, Healthcare, IT, Engineering companies, Financial services sectors etc. and a portion of the investments are also made into companies that present a special situation or a turn-around candidate.

Q) Does RATNATRAYA follow customized approach?

Product is primed primarily for customised portfolio.

Q) What are different types of investment?

Investor can select from 3 types namely Lumpsum, Lumpsum with Simple Equity Plan (SEP) and Systematic Transfer Plan (STP).

Q) What is the average churn in the portfolio in a year?

It's a completely fundamentally long term driven strategy and given that our selection criteria in itself is very stringent the churn ration is next to minimal. We tend to sell the stocks only in two scenarios; one where the investment thesis has changed from what we had envisaged and secondly wherein the stock price has moved way ahead of fundamentals.
