Frequently Asked Questions (FAQ)

Q) What is the basis of performance calculation in the Month End Report?

The performance in the Month End Report is calculated using time weighted rate of return (TWRR) method. The time-weighted rate of return breaks up the return on an investment into separate intervals (sub period returns), based on whether money was added or withdrawn.

Sub period returns = (Ending Market Value - Beginning Market Value - Contribution + Withdrawal) ÷ (Beginning Market Value + Contribution - Withdrawal)

Q) How can clients register as a participant?

Client has to open an account with PhillipCapital which includes KYC, Risk Profiling along with investment amount. Stocks will be advised on the basis of % allocation as subscribed in Annexure 1 of Account opening form by the investor.

Q) Can client choose not to invest or exit a stock as advised in SPARKLE?

YES. Client is at full discretion to decide to invest or not to invest or exit a stock or full portfolio irrespective of the advise under SPARKLE

Q) What are the advisory fee and transaction charges applicable for the product?

Please refer to the tariff sheet on the account opening form for complete details

Q) How to change the investment amount?

For changing the amount, client has to send the request for changing the amount from his/her registered email id along with Annexure-1 of Account opening form filled with complete details

Q) SPARKLE is suitable for?

Investors with

- *Direct exposure to equities with the idea of long term portfolio building*
- *Flavor of Large, Mid and Small Cap in 1 single account*
- *Seeking to invest for more than 1 year*
- *Seeking help to build and track a portfolio*
